

Would you like your business to enhance its customer service experience?

Register your interest in our **FREE Dementia Friendly Dartford** initiative!

Dartford Borough Council has awarded ADSS funding to support local retailers, businesses, charities and community organisations to become Dementia Inclusive.

This is a great opportunity to ensure that those affected by dementia feel safe and comfortable when shopping on the High Street and in the shopping centres in Dartford.

You will be provided with **FREE Dementia Awareness training** and with an opportunity to ensure the areas of your business that are open to the public are welcoming and safe for those living with dementia.

Those businesses participating will be awarded with a window sticker that can be displayed so that those affected by dementia will be confident in accessing your business.

Places are limited so don't delay in registering your interest via this QR code.

If you have any questions about this initiative, please email emily.forster@alz-dem.org
